ABOUT ME

Frontend web developer, with knowledge in HTML, CSS, SASS, Git, GitHub, Bootstrap, JavaScript, and React Js. Passionate about continuous learning and constant skill improvement. Previous experience as a esthetician, excelling in attention to detail, creativity, and customer service. I seek to continue growing in this field to apply my skills creatively and effectively, aiming to develop as a professional and contribute to the success of innovative projects.

LANGUAGES

Spanish: Native
English: Advanced

EXPERIENCE

MAYAH (FRONTEND DEVELOPER)
ABRIL 2024 - PRESENT

- Active participation in all phases of software development, from creation to implementation and maintenance.
- Development and optimization of user interfaces using technologies such as HTML, CSS, JavaScript, and React.
- Implementation of agile methodologies, including sprint planning, monthly meetings, reviews, and retrospectives.
- Collaboration in multidisciplinary teams, serving roles such as Scrum Master.
- Use of JIRA for project management, task tracking, and team coordination.
- Creation of intuitive and attractive user interfaces, ensuring an optimal experience for the end user.
